The screenshot displays the NUS Digital Gems website interface. At the top, the NUS Libraries logo is visible alongside navigation links: Digital Gems Home, Terms of Use, Take Down Policy, Newly added, and Login. The main header features the text "DIGITAL GEMS" over a background image of books and a map. Below the header, a search bar contains the text "南洋大学" (Nanyang University). To the right of the search bar are buttons for "Search full text" and "Search".

Below the search bar, the results section shows "Showing 1 - 81 of 81 Records". A sidebar on the left allows filtering by "Language" (Chinese, English, English|Chinese) and "Content Type" (Artifact, Book). The main content area displays the first result, titled "千帆过尽浆声传--《南大颂》与南洋大学的一段因缘" (Qian Fan Guo Jin Jiang Sheng Chuan -- "Nan Da Song" Yu Nan Yang Da Xue De Yi Duan Yin Yuan). The result includes a thumbnail image of the book cover, the creator "林臻" (Lin Zhen), the source title "怡和世纪" (Yi He Shi Ji), and the alternative title "Qian Fan Guo Jin Jiang Sheng Chuan -- 'Nan Da Song' Yu Nan Yang Da Xue De Yi Duan Yin Yuan".
